

When reproduced correctly at 1:1 this scale should be accurate in millimetres

# Merry Christmas!

For best results print onto card

- Fold card
- Cut card
- Cut slit in card

Always get help from an adult when using scissors and other sharp tools.

**Significant Health and Safety Risks:**

Significant risks are not necessarily those that involve the greatest risks, but those, including health risks that are:

- not likely to be obvious to a competent contractor or other designers;
- unusual; or
- likely to be difficult to manage effectively.

- Cutting instruments to be used with care and under the supervision of a responsible adult.

- Use only appropriate adhesives suitable for paper and thin card, in accordance with the manufacturer's recommendations and with adequate ventilation.
